

## SEA VIEW HOUSE

In light of the evolving COVID-19 situation, our priority is the health and safety of our guests and team. Time with family and friends at Sea View House is a special experience. We have taken precautionary measures to ensure your time with us is not compromised. We are adhering to the latest protocols and guidelines from the world's leading health experts and government authorities to maximise the effectiveness of our response to the situation.

We have heightened our practices around food handling, sanitization, disinfection and cleaning. Sea View House has signed up to the Failte Ireland Covid-19 Safety Charter for Tourism Businesses. We strictly adhere to the official guidelines to ensure our guests are as safe as possible.

Prior to your arrival we send you our guest directory along with contact details for all our local pubs and restaurants.

### **Bed and Breakfast:**

On arrival a disinfectant station for luggage is available for your use and we provide alcohol-based hand sanitizer throughout our home. Rooms will be fully sanitized between guest departure and arrival and we will replenish towels and linens upon request every second day. High contact areas such as door handles and hand rails in common areas will receive regular cleaning throughout the day.

Unfortunately our large dining table where guest conversations used to flow each morning has had to go for now. We now provide individual tables for breakfast with 2 metre separation between different groups of guests. Payment will be contactless if you choose. Where this is not possible, payment terminals will be disinfected before and after each transaction. Room Keys will be disinfected after each stay.

### **Luxury Lodges:**

We will provide alcohol-based hand sanitiser at all entrances. The entire lodge will be fully sanitized between guest departure and arrival. We will replenish towels and linens upon request every second day. Payment will be contactless if you choose. Where this is not possible, payment terminals will be disinfected before and after each transaction. Lodge Keys will be disinfected after each stay

We are doing everything we can to provide a safe, seamless and ultimately enjoyable experience when you visit Sea View House. We look forward to welcoming you soon.
